

## Homework Assignment: Aligning Your Plans with God's Will

Objective: To help you reflect on your personal plans, evaluate your motives, and invite God's direction in every area of your life.

### Instructions:

1. Read Proverbs 16:1-3 slowly and prayerfully. Write down what each verse personally means to you.

2. Self-Reflection Questions:

- What plans or goals have I made recently without fully consulting God?
- What are my true motives behind these plans?
- In what ways have I seen God redirect my path when I tried to plan my own way?
- How can I commit my current "works" (goals, career, relationships, or ministry) to the Lord?
- What does "God establishing my thoughts" look like in my daily life?

3. Practical Application:

- Choose one current goal or plan in your life.
- Write a prayer of surrender, giving it back to God and asking for His direction and timing.

4. Action Step:

- Throughout the week, pause before making any new plans or decisions and ask, "Lord, is this aligned with your will for me?"  
Journal any insights, confirmations, or redirections you sense from God.

### Reflection Scripture:

"Commit thy works unto the LORD, and thy thoughts shall be established." — Proverbs 16:3 (KJV)
